- [Research in Germany](#)  
Information on the research landscape, research funding, research areas for junior as well as senior researchers.
- [Legal Guide to Germany – Expat’s Concise Guide to overcome officialdom in Germany](#)  
“The project “The Legal Guide to Germany” is the expat's concise guide to overcome officialdom in Germany. It helps citizens of other countries, either living in or (soon) coming to Germany, in gaining a reliable orientation toward their every day legal rights and responsibilities in Germany. It's all about a lawyer telling inside stories on everyday legal questions. In other words, it's an 24 hours / 7 days a week integration course for those who are not satisfied with "standard" or "minimum".  
This portal offers products and services in four areas:
  1. [a platform for legal content for some in depth study,](#)
  2. [eLiterature for professional needs, as well as Checklists for different needs,](#)
  3. [a business directory to help expats find professionals willing to serve them,](#)
  4. [a newsletter on topics of concern of the expat in Germany for any subscribed person.](#)

Please notice that not all information offered is available free of charge.

### **Recognition of qualifications**
